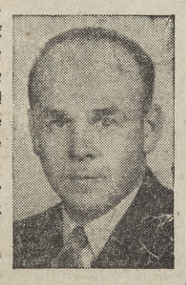
Wayne Brown, Sheriff Seeker, War Veteran

Youngest Candidate Seeks Place for Youth In County Offices

Wayne "Monk" Brown, popular young Grass Valley businessman, who last week filed announcing his candidacy for the office of sheriff of Nevada county was in Truckee this week giving local voters an opportunity to meet the candidate.



BROWN

Brown is a veteran of the recent war, is married the father of one son. He is a property owner and a taxpayer. He is affiliated with the Grass Valley American Legion post and the Elks Lodge in that city.

Brown is no new comer to this county, having resided in the Grass Valley district for the past 17 years, educated in the schools of Grass Valley, and graduated from high school where he starred in football, baseball and basketball.

If elected the candidate promises to maintain the office in an efficient, honest and capable manner at all times, working for the best interests of the community and the taxpayer he represents. Although the youngest candidate, Brown is able and ambitious. Indebted and obligated to no one, he feels that youth should be given an opportunity in county government.

SIXTEEN LIONS OF SPARKS AT MEET OF TRUCKEE CLUB

Twenty guests who swelled the attendance to 46 visited the Lions Club last night to enjoy the program of films presented by the Standard Oil Company and prepared by the U. S. Forest Service showing the benefits of the national forests. Carl Bechdolt, Jr. was program chairman and C. B White presided.

The Sparks Club visitation comprised 16 members who were President Fred Boesen, Joe Spragia, Rev. P. H Willis, C. W. Mayfield, Walter Taben Ernest Danzger, Ben Dawson, Tony Doran, Robert Baker, P. Petini, J. B. Laveaga, R. J. Rice, Roy Robinson Vern Hursch, Phil Hursh and Fred Steiner. Other guests included Patrolman George Smith of Sacramento, J. S. Firth of Modesto who presented the program, and Floyd Carnell of Tahoe.

Dick Ackerson, Truckee jewelry store manager, was inducted as a new member.

ARMY RECRUITING IS SUBJECT OF ROTARY MEETING

Maurice White, timekeeper of the state highway at Donner Summit, talked on voluntary enlistment for the army at the meeting of the Rotary Club on Monday evening.

A lively discussion followed among the members for and against the proposition.

Art Couillard presided and Eric Gram was program chairman. Pete Land of Sierraville was a visitor.

Red Cross Drive Lagging As End Nears March 31

Mrs. Florence Sheffield, chairman of the Red Cross drive for funds, reported this week that the campaign in Truckee was still short of its $1500 quota with the drive ending March 31. She urged that all who have not already done so contribute before that date. Members of the Wyethia Club have booths at both the post office and Bank of America here to receive contributions.

Mary Cardinal Weds Navy Man, Former SP Fireman

At a ceremony performed in Reno last Sunday, Mary Cardinal became the bride of Alex O'Donoughue. O'Donoughue is still in the navy but expects his discharge in June and it is expected the couple will make Truckee their home. Mrs. O'Donoughue is employed here by the Southern Pacific Company and prior to his entry into the service the bridegroom was a fireman for the same company.

Modern Watch Repair Is Feature of New Jeweler

The jewelry shop of Richard E Ackerson was opened on Monday in Truckee, with a shipment of stock expected about April 1. Ackerson is featuring complete watch repair and cleaning within a week. This rapid service is made possible by a new Western Electric Watch Master which is a scientific electrical device for accurately timing watches in a small fraction of the time taken by older methods.

Junior Police Is Part of Program Of Wyethia Club

Highway Patrol, Nevada 20-30 Co-Operating In Safety Program

Captain George Peterkin of the Placer Area Highway Patrol of Roseville and John Isbell, district governor of the 20-30 Clubs, from Reno gave most interesting talks at the Wyethia Club on Thursday, March 21.

The club is sponsoring a campaign to provide greater safety for the children of the grammar school in crossing the highway on their way to and from school. The school crossing is located half way through an "S" curve at the east end of town and is a serious hazard, as motorists have no way of knowing that there is a school nearby. It is proposed to have "Safety Sallies" at the crossing and to confer with the school trustees in forming a junior patrol.

Captain Peterkin gave a talk on the formation of junior patrols and explained how they would function. He spoke of his work with junior patrols and how they have been instrumental in overcoming serious traffic hazards for school children. The automobile clubs, he explained, are very much interested in this work and it is possible to secure through them the necessary equipment for the junior patrols for a nominal expenditure.

Captain Peterkin assured the club that the highway patrol would cooperate in every way possible if the patrol was formed and he would assign Officer William Gautsche to instruct and train the patrol in their duties.

Isbell spoke on "Safety Sallies" which his organization has installed throughout the country. He told of the effectiveness of these signs in drawing the attention of the motorists to the fact that a school crossing was nearby. The "Safety Sallies" are copyrighted by the 20-30 and whenever requested, or there is a need, they are given to schools for the protection of school children. As there is no 20-30 Club in town, Isbell stated that the Nevada district wished to give these signs to Truckee. They have already been ordered and will be delivered as soon as they arrive.

A committee composed of Mrs. Don Hansen, chairman, Mrs. Elden Tonini and Mrs. Tom Sheehan was named by the president to consult with the school trustees of the grammar school on this matter.

Tea was served at the conclusion of the program by Mrs. William Gautsche, Mrs. Harrie Tackett and Mrs. Don Hansen.

Army Trucks Haul Off Wreckage of C47 Crash

Two huge army trucks passed through Truckee bearing the remains of the C47 transport plane which crashed at Hobart Mills last week killing the 26 occupants in the worst peace-time aviation disaster in history.

In the meantime army and civilian officials are continuing their investigation into the cause of the accident. The finding of the "missing" blade on the right motor propellor caused more speculation, but army inspectors held to their story that a broken or disabled blade caused the crash.

New Pastor Named For Local Catholic Parish

Rev. Anthony J. Dosch, who has been filling the pastorate of the Assumption Catholic Church here, announced that a permanent pastor has been appointed. He is Rev. J Boland who will arrive here in a month or so to take charge. At present he is in Placerville and has served at Fort Jones.

Father Dosch will continue to serve the Truckee area until the new priest arrives. At present he is in Sacramento on official business.

Olivers Move—

G. D. Oliver, Jr., formerly of Hobart Mills wrote that the family is moving from Modesto to Berkeley by April 1.

Conducts Tests—

H. I. Snider spent Wednesday on Donner Summit where he conducted an examination of eight applicants for radio-telephone positions with the tate highway department.

Acquires Jeep—

Daryl Gaiennie has bought a green jeep for transportation.

Seven Are Initiated in IOOF Here

Reno Lodges Put On Work For Candidates In Donner Lodge

Seven candidates for Donner Lodge No. 162, Order of Odd Fellows, were given the first degree in Reno on Tuesday night by officers of Unity Lodge No. 6 and Reno Lodge No. 14 They will return to Reno Lodge on April 4 for the next two degrees.

The local group included Ernest J. Guidotti, August Esola, Marion J Blattler, Guido Cozzi, Gerald R. Stacy, Frank L. Titus and Roy Waters. The group was headed by F. A. Titus, district deputy grand master from Truckee.

At the same time Unity Lodge initiated Joseph Lombardi and Charles Gillogly; Reno Lodge gave the work to James Kerr and Charles Rooney and Wadsworth conferred the degree upon Arthur B. Gay. A feed was enjoyed after the initiation ceremony

LOEHR IS CITED FOR FINE COOPERATION IN PLANE DISASTER

The first need following the crash of the C47 army transport plane near Hobart Mills last week was a road into the territory blanketed by several feet of packed snow. Shortly after the wreck was located, Lieut. Stephen Cummings, who headed the first groups in the rescue work, secured the aid of Supevisor H. G. Loehr and his road foreman, James McIver and the county tractor wormed its way into the scene of the wreck, the crew working far into the night in order to accomplish the difficult work.

C.S.E.A. CHAPTER IS PLANNING DANCE HERE ON APRIL 6

Donner Chapter No. 56, California State Employees Association, is sponsoring a dance at the Veterans' Memorial Hall on Saturday, April 6. Dancing will be from 9 PM until 2 AM the following morning and a good orchestra has been secured, guaranteeing a good time for all attending.

The committee in charge includes Jack Wallace, Leo Cardinal and Homer Hixson.

High School Students to Take Part in PTA Meet

Students of the Meadow Lake Union High School will take part in the program to be given at the meeting of the Parents and Teachers Association to be held in the high school building at 8 o'clock Friday evening, April 5.

A large number of fathers and mothers and other interested persons are expected to attend. Mrs. Thomas Mellon will preside and refreshments will be served during the social hour

$25,000 Worth of Game Birds for Sportsmen

I. O. Gifford, owner of Truckee Resort, reports that he has contracted for approximately $25,000 worth of game birds which will be delivered next fall. The quail and pheasants are being raised for the Truckee Resort's Sportsmen in New Mexico and Arizona, Gifford said.

Gifford said that it is extremely difficult to secure game birds for restaurant use and that it is necessary to contract for large numbers far in advance in order to meet the demand.

The local resort is managed by Mr. and Mrs. George McAbee and is becoming increasingly popular.

Sportsmen Plan Annual St. Patrick's Day Dance

Following the success of the recent public dance sponsored by the Truckee Outdoor Sportsmen, the members decided to make the affair an annual event if possible. The Capitol Hall was filled comfortably with merrymakers who enjoyed the orchestra music and dancing.

The committee, headed by Johnny Ciardella, had the hall nicely decorated and those attending said it was one of the most pleasant affairs of its kind ever held here.

Mrs. Daryl Gaiennie observed her birthdate on March 23.

.: Sun :. Beams

By WALTER M. BARRETT

Truckee really did itself proud last week following the disaster of the army's C47 transport plane at Hobart Mills. Every local facility was immediately turned over to the investigators and recovery crews without thought of personal gain or honors. Searching crews which worked night and day in the storm and on difficult terrain well earned the thanks of the officials. The Clair Heaters at Hobart Mills converted their home into an army headquarters and extended hospitality to all comers for days. Supervisor Henry Loehr turned his equipment and crews over to the direction of the army rescue officials and throughout the district everyone responded willingly and helpfully. One army official, who has been in that sort of work for many years, said that never has he been given such full whole hearted cooperation as was offered by local people. Such folks as the Heaters, Bill LaMarr, Tom Dolley Bill Gautsche, Bob Fowler, Ken Kolb, Emmett Tucker, Steve Aplin, Star Mitchell and scores of others proved again that in any emergency Truckee can be called upon to respond generously.

It is hard to realize that in a little over a month, fishermen will again come to Truckee and Tahoe where the trout season opens May 1st on the Truckee River, Donner Lake and Lake Tahoe—the balance of the district remaining closed until June 1st. While the Truckee Outdoor Sportsmen did a wonderful job last year in raising trout for planting and have thus earned the appreciation of all fishermen frequenting this area, it is high time we begin thinking about the rearing program for this year. It is increasingly evident that the state will not assist much in "hand raising" fish, so it will probably again become a job for local interests. The Outdoor Sportsmen, we feel certain, will lead the program, but will need a lot of help and that is where we all come into the picture. If fishing is to be revived and continued in this district we are all going to have to help. It is not a job for the Sportsmen alone but the will do all they can with our assistance. The least we can do is join the club—the dues are only $1 a year—and show these fellows who are doing the work that we appreciate their efforts and that we are willing to back them all the way. Send your dollar in today to Secretary Dick Little at Truckee.

With spring definitely arrived, we are going to see the biggest highway traffic in the history of the region That means that accidents are going to be more frequent than ever. Let's all do what we can to avoid mishaps by driving more carefully than ever.

Ski Movie Will Be Shown At Outing Club Session

The Truckee Outing Club will meet Monday night at the pavilion of the Truckee Hill Top Lodge at 8 PM.

Following a short business session, the popular winter sports movie, Sun and Snow, will be shown.

Al Henrys Parents of Girl Born in Capitol March 26

A daughter arrived at the Sutter Hospital in Sacramento at midnight, March 26, for Mr. and Mrs. Al Henry of Tahoe. The little girl weighed 8 pounds and 3 ounces and the family had not immediately decided on her name.

Bourbons Lead in Both Placer, Nevada Counties

In both Placer and Nevada counties the Democrats hold an edge over the Republicans, according to a report by Secretary of State Frank Jordan. Based on registration figures as of March 1 there were 7,714 Democrats in Placer and 4,518 Republicans. In Nevada county the Democrats totalled 3,414 against 2,892 Republicans.

The only other qualified political party on the June 4 ballot, the Prohibition, had 16 in Placer and 8 in Nevada county. Electors who declined to state partisan preference tallied 271 in Placer and 179 in Nevada.

Of the state's total of 3,781,596 the Democrats had 2,179,996, the Republicans 1,426,490, the Prohibitionists 6,176 and 162,432 declined to state.

Hot Contests In County Voting For Three Jobs

Many Incumbents Assured Re-Election As Filing Period Ends

Three contests for county offices and one for a township office will add much interest to the June 4 primary election here. County Clerk R. N. McCormack stated that he collected $1,250 in filing fees during the filing period which ended on Tuesday.

With Superior Judge George L. Jones retiring at the end of this year three candidates have qualified for places on the ballot. They are Vernon Stoll of Grass Valley, W. E. Wright and James Snell of Nevada City.

Frank G. Finnegan of Nevada City will oppose District Attorney Ward Sheldon in his bid for reelection.

Sheriff Carl J. Tobiassen is opposed by Richard Hoskins, Thomas Barrett, Thomas O'Dea and Wayne Brown, all of Grass Valley, and William F. Pohley of Nevada City.

Unopposed for reelection are incumbents R. N. McCormack, county clerk; Emma Hecker, county treasurer; Phil G. Scadden, county assessor; Walter A. Carlson, county superintendent of schools; Joseph F. O'Conner, county surveyor; John E Nettell, county recorder; Alvah Hooper, county coroner, and Theodore R. Kohler, Jr., public administrator In Meadow Lake Township, incumbent C. E. Smith will not seek return as justice of the peace, R. N. Little and Frank A. Titus are both candidates for the office. Constable N. F. Dolley has no opposition for reelection.

COUNTY BOOKLET IS TOPIC OF MEETING WITH WEST ENDERS

H. F. Sofge, secretary of the Nevada City Chamber of Commerce, and Ray J. Kronemeyer, secretary of the Grass Valley chamber, were in Truckee conferring with local chamber officials yesterday relative to a proposed booklet advertising the advantages of Nevada County. It was the desire of the meeting to arrange a cooperative program to be presented to the board of supervisors for financial assistance from the county.

President B. W. Reynolds of the Truckee chamber presided at a meeting yesterday at which details were discussed.

A small delegation will take the matter up with the supervisors at the April meeting to learn the board's reaction to the suggestion.

Former Truckee Woman Dies Suddenly in S. F.

Mrs. Muriel Norman died suddenly in San Francisco on Saturday. She was a member of Calivada Circle No. 421, Neighbors of Woodcraft, in Truckee. Mrs. Norman will be remembered here as Mrs. James Fritz and once operated a drug store in Truckee.

Matt Greens Return To Tahoe Tavern in Week

Mr. and Mrs. Matt Green have been at Tahoe the past few days after spending the winter in Florida. With Glenn Greene of Pasadena, resident manager of the Tahoe Tavern, the owners are looking the property over preparatory to making the necessary repairs and alterations prior to the summer opening.

Firpo Sells Interest In Lake Inn at Tahoe City

Nace Firpo, who recently purchased the Tourist Cafe in Truckee and secured a lease on the Polyanich building east of the post office, this week announced that he has sold his interest in Lake Inn near Tahoe City which he opened six years ago and has operated since.

The new owners are Thomas Bonano, Firpo's former partner at Lake Inn, and Bruce Kuehn, formerly of Mill Valley. The two men will continue to operate the etsablishment as in the past while Firpo will devote his efforts for the time being to his Truckee business.

Soldier Here—

Cpl. Carl Noddin of Camp Beale has been visiting relatives here the past week.

Two State Game Officials to Meet Here Saturday

Mutual Problems of Nevada And California to Be Discussed at Meet

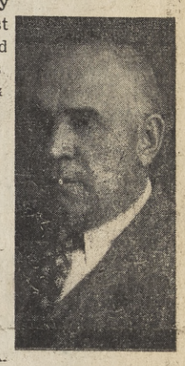
Truckee Saturday night will be the scene of a California-Nevada fish and game meeting at which officials of both states will discuss mutual problems. President A. G. Bradshaw of the Truckee Outdoor Sportsmen will preside at the meeting which will cover deer and bird hunting in the two states as well as fishing in the region common to both.

Among those to attend will be Emil J. N. Ott, executive secretary of the California fish and game comission; F. S. "Buck" Wheeler, executive secretary of the Nevada commission. With three other Nevada officials; Assemblyman Allen G. Thurman of Colfax; Gus Gustafson, president of the Associated Sportsmen from San Francisco; N. M. Hughes, chairman of the game animals committee for the Associated Sportsmen, and four members of the board of directors of the group; Don Kessler, president of the San Francisco Flycasting Club; Alan Pollitt, Tahoe fish hatchery supervisor; Allen Taft, chief fishery biologist; Gordon True, chief of game conservation; A. H. Willard, captain of the fish and game patrol; E. L. Macauley, chief of the patrol; other officials and interested sportsmen from Nevada and California.

The meeting will be held at Capitol Hall at 8 PM. Truckee and Tahoe sportsmen, both men and women, are urged to attend this vital session.

PHIL SCADDEN ASKS FOR RETENTION IN ASSESSOR'S OFFICE

Announcing his candidacy for reelection to the office of county assessor of Nevada County, Phil G. Scadden, incumbent, county assessor the past term who has had one of the busies terms from a standpoint of the assessor's work in the history of the office.



SCADDEN

The assessment property during the wartime period in which Scadden has served has qualified him beyond all doubt for the office which he seeks to continue.

Faithful and loyal service to the people of Nevada County has been the motto of Scadden and his popular assistants during the past term of office, a record he promises to continue if reelected. His deputies are Bill Tamblyn, Dell Powell and Miss Eva Cox.

Scadden is well known throughout the county, being one of its pioneer residents and civic workers.

A total of nine years in the county assessor's office is the record of the incumbent, who not only has served the past four years as holder of the post, but for five years prior was deputy to County Assessor John M. Hammill, who considered the office seeker capable and efficient.

Scaden was born in Grass Valley and educated in the public schools there and in Nevada City. He was formerly postmaster of Nevada City and for years owned Scadden's Bakery there, thus having many years of dealings with the public. The county assessor is also prominent in fraternal affairs of the county and for many years has been one of the most prominent civic workers in the this county.

Easter Parade Fashions At Next Wyethia Session

The Wyethia Club will meet on Thursday, April 4th, with a style show "The Easter Parade" presented by students of Meadow Lake Union High School under the direction of Miss Marylois Moberg, home making instructor.

Miss Jackie Blattler will introduce the students who will model the clothes they have made, which range from cotton house dresses, tailored suits to date dresses. Those taking part in the style show are Alice Waters, Joan Pabst, Dorothy Parkhurst, Esperanza Garcia, Crystal Anderson, Gertrude Smith, Yolanda Giovannoni, Lois Farrar and Benita Mellon.

Music will be furnished by Mrs Jack Wolert.

GOVERNOR'S SON KILLED

Lt. Com. Lloyd Stickney Stark, one of the victims of the tragic airplane accident near Hobart Mills last week, was the son of Lloyd C. Stark, former Democratic governor of Missouri.

Returns to Tahoe—

Rose Boyairedes, Tahoe restaurant owner, returned on Monday from Arizona, southern California and other points of interest. She is preparing her property for reopening.

MIKE SHERDON, ONE TIME JAP CAPTIVE, IS U. S. GUEST IN MIAMI

First Lieut. Michael C. Sherdon, who recently left Truckee for the east, an Army Air Force member who was a Jap prisoner of war. He has completed his hospitalization and has indicated that he wishes to accept the Air Forces Personnel Distribution Command's invitation to spend two weeks of his 104 day furlough as a guest of the Air Forces at Miami Beach, Fla. He will arrive there on April 14.

In addition to receiving government paid transportation—either by commercial air, rail or private car—a former Air Force Jap prisoner of war may invite two of his immediate family to "vacation" with him on the same basis—as guests of the Air Force. Throughout their stay at Miami Beach, an appreciative Uncle Sam "picks up the checks" for all room and meal costs.

A Special Service department is ready to offer the soldier and his family an elaborate free program of entertainment. Golf, deep sea fishing, tennis, horseback riding, movies, swimming, sightseeing tours, or just sunbathing on the beach are some of the attractions offered.

If a man decides to accept this opportunity, and practically all have to date, he states on a questionnaire whether he would like to go to Miami Beach by air, rail or in his own automobile and the AAF Personnel Distribution Commany routes him arranges his transportation, gets reservations in the best hotels and pays the bill for the two weeks vacation.

The above unique program of affording our liberated prisoners of war a period of relaxation in pleasant surroundings is elective by the individuals concerned. They may accept or reject the offer as they choose.

Emigrant Trail Map Is Published By Society

The California Historical Society has published, with an introduction and notes by George R. Stewart noted author and professor of English on the Berkeley campus of the University of California, The Map of the Emigrant Road from Independence, Mo., to San Francisco by T. H. Jefferson.

The publication includes, in a pocket, a reproduction of the original map which consists of four sections. All but two copies of the original map and its accompanying descriptive matter issued for the '49ers have vanished: One is in the Princeton University Library and one in the Doheny Collection at Camarillo. In publishing the map Professor Stewart, who is the author of the best sellers Storm and Names on the Land is carrying on his earlier in important Californiana.

QUOTES OF THE WEEK

"The public is largely and irrevocably stupid." — *Howard G. Sawyer, Boston, Mass., advertising executive.*

"It's the housing shortage."—*Fairmount, W. Va., man found asleep in a telephone booth.*

"I'm going out to Missouri to get close to the people." — *Edward T. Folliard, Washington, president of White House Correspondents Assn.*

"We would be better off without the OPA unless its present setup can be made more flexible." —*Senator Wherry, Nebraska.*

"Government overspending is a major road-block astride the road to prosperity. We must cut it down and balance the budget." —*Pres. Robert R. Wason, National Assn. of Manufacturers.*

"I'm going to catch up on my reading!"—*Mrs. John A. Goodwin, retiring after 23 years as a librarian.*

West's Defense Command Gives Way To 6th Army

SAN FRANCISCO— The Western Defense Command, which had the responsibility of defending the west coast since Pearl Harbor, went out of existence the first of March, and this peacetime resopnsibility will now be the duty of the Sixth Army under the command of General "Vinegar" Joe Stillwell.

Merchandise

President of Harding College
Searcy, Arkansas

Looking Ahead

WHEN just about everybody has spending money in their pockets because they can't find enough of the things they want to buy, that is where inflation begins. The results are quite natural. Automatically people start bidding against each other for such items as they do find, and prices advance far beyond real values. Then, no matter what we buy, we are squandering money.

In order to cure inflation we need more things to buy. That's all it takes. If I need a hat and can find only one that fits my head and suits my taste, the dealer can (unless restrained by law) charge me whatever he wishes. I may rebel at the price but somebody else will pay it and the merchant will not need to worry about me. What will set the matter straight? More hats!

Flexing Prices WHEN suitable hats are offered by every haberdasher in town, some competitor is certain to lower his prices to increase sales. Another will try to outdo him, and this competition continues until falling prices get too near cost to go lower. It is that simple. Goods are the scare-crows that frighten away inflation. Whatever interferes with the production of merchandise only makes inflation worse.

Inflation is like hunger. It is a want that has the full force of a need. Hunger includes a craving that throws a person's sense of values completely out of plumb. Food is the only satisfactory answer to the hunger question and, just so, goods are the only sound solution to inflation. There are trick ways to hold prices down, when goods *have* to be scarce, but they are only temporary help.

Healthy Demand ONCE in a while somebody has a strange ailment that makes eating impossible, or very dangerous. Physicians deny such a patient food while they try to adjust the malady. Sometimes they use drugs to make the patient sleep and forget his craving; sometimes they flow energizing liquids into the blood-stream, but it's no diet. Nobody can live on it; it only makes starvation slower.

During the war, people in America were rightly denied goods. There were not enough workmen, not enough factories, not enough materials to supply the nation's defenders, *our* men and their allies. Consumer goods were scarce and a lot of people had extra money. All prices would have skyrocketed but government restrained it by law. It was an emergency — drastic remedy: no complaint.

Price controls did not contribute anything permanent to this country's economic strength, however. They simply eased the shock for civilians who had to undergo economic surgery or perish of dictatorship. Now the ordeal is over and the patient is wholesomely hungry for merchandise. Every regulation that retards production now should be removed or relaxed in the public interest.

Unusual Traffic Increase On State Roads in Month

SACRAMENTO, March 28 —(UP)— The volume of traffic on California highways in February was 52 per cent over February, 1945, the state department of public works reported this week.

While February usually shows no increase over January traffic, there was a 3.4 rise in traffic during the month this year.

Animal actors must pay income taxes out of their earnings just as human beings do.

$345,650 In Vets' Holdings Off Of County Tax Lists

There is a total of $411,230 assessed value of property exempt from taxes in Nevada County, according to the California Taxpayers' Association.

Veterans' property exempt from taxation made up $345,650 while the churchs' property valued at $65,580 comprised the remainder.

In neighboring Placer County, $1,037,145 was the last reported total of tax-emept property. This included $862,515 for veterans' property, $67,140 for church propetry and $107,490 for colleges.

EDUCATION HEAD SETS APRIL 8-13 AS SCHOOLS' WEEK

SACRAMENTO, March 28 —(UP)—, Superintendent of Public Instruction Roy E. Simpson announced the annual observance of Public Schools Week from April 8 to 13 and called on all citizens, particularly parents, to attend the activities to be held in the schools during the period.

Simpson called on parents to take this opportunity to visit their local schools to familiarize themselves with its activities and programs, and become acquainted with its problems and needs.

"The American public school, free and open to all children and youth regardless of race, color, creed or economic condition, is the people's own institution for realizing their democratic aim of equality of opportunity," Simpson declared.

"The public school," he said, "is the very foundation of democratic government, for the success of self-government depends upon an intelligent and enlightened citizenry."

"It is apparent to everyone that the peoples of all nations must learn to live together in amity or face utter destruction. The school must do its part, along with all other social agencies, in developing men of good will," Simpson stated.

MY PLACE in the SUN

by DOUG BARRETT

I don't like guys to come screaming into my home about "the Third World War." Let them peddle their beauty creams, or their Hollywood gossip or whatever, on the air—and let the people who are qualified handle our foreign relations. You keep talking and thinking and screaming war long and violently enough—and you're going to get it. Maybe you won't have to fight it, but you'll get it....and a lot of nice kids who've just got back from fighting will have to go do it all over again, and maybe they won't come back next time. People who start wars ought to have to finish them....Right?

I didn't write the above but it rang such a loud bell I thought it worth repeating. The writer is one Carl Helm who conducts a little column for a trade paper.

Had an interesting time this week trying to run down the date of an old photo of Truckee which Della Burningham brought to light. Talked to such old timers as Roy Feathers, Judge Smith, Lotta Bryant and a couple of others and they all stated it was taken before their time. From the state of the town, it looks to be in the very early days. On the hill north of the business block there are only 19 houses between Trout Creek Canyon and the hill where the Vets' Hall now stands. On the other side of the canyon, up the Reno Road, there are six houses and acouple of barns. A single track runs through town and between Stewart McKay's Truckee Hotel on the south side of the tracks—where the laundry is now—and the main business block north of the tracks is nothing but a flag pole. A flume runs down Trout Creek and where the Coca-Cola Bottling Company now stands is a little log shanty with a clothes line and long-handled woomes rampant in front and where a steel bridge now crosses the Truckee is a single lane wooden span. Recognizable are the old Odd Fellows Hall and Capitol Hall. On the side of Truckee House construction is going on on what later became a freight and express office. Prominent among the establishments visible on Commercial Row are the Truckee Brewery and Cardwell House.

Street Seens: Frank "Gadget" Kinna answering the phone....Red Jolly working again....Al Bradshaw making ready for the big fish and game meeting here Sat'dy evening....Mr. and Mrs. Art Leitch 100 per centing in the Red Cross drive for funds....Frank Giovannoni, Chet Zunino and Daryl Gaiennie headed west in the Sierra Pacific trouble buggy....Charlie Cozzi and Bill Meyer looking mighty prosperous....Everett Parker's SP water boys hauling pipe....Walt, Dick and Peanie Loyna, Harold Langille, Herman Owens, Bob Leamon and yours out skeet shooting up the road to Hobart....the AAA sign painters freshening up the road signs....Roy Wilson impatiently waiting to cast off his cast tomorrow....Dick Ackerson showing off his little marvel, the Watch Master, to Judge Smith....Tony Polyanich hanging his are treasures in the California cocktail lounge and generally getting ready for a mid-April opening....Wayne "Monk" Brown running for sheriff—who isn't?

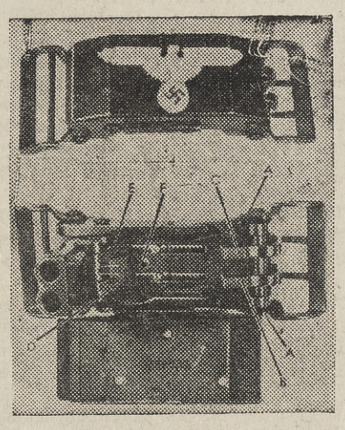
NOTICE OF INTENTION TO SELL

Pursuant to Section 3440 of the Civil Code of the State of California, notice is hereby given that I. Firpo and Thomas Bonano, both of Tahoe City, Placer County, California, intend to sell to Bruce M. Kuehn of Mill Valley, Marin County, California, and Thomas Bonano of Tahoe City, Placer County, California, all that certain personal property known as belonging to I. Firpo and Thomas Bonano, such personal property as is usual to a bar and cafe business, locate on the premises known as Lake Inn, located on the North side of the new State Highway, one mile more or less from Tahoe City, Placer County, California, in the direction of the Town of Truckee, Nevada County, California. The consideration will be paid on Monday the Eighth day of April, 19'6, at the office of R. N. Little, Town of Truckee, County of Nevada State of California, at 10:00 o'clock A. M.

I. FIRPO, Vendor

THOMAS BONANO, Vendor.



NAZI BELT GUN . . . Above is the deadly Nazi belt buckle gun as it looks when closed. Lower, at right, (A & A) and (B & C) can be seen the ridged levers. The gun is cocked and closed by lifting levers (D & E) over projection (F). The gun was brought back by a returned veteran from Germany.

Low Water Cuts Down On South State Trout

Two thousand rainbow trout averaging four to the pound have just been planted in San Dimas Reservoir in Los Angeles county, according to the outing department of the National Automobile Club. Streams of southern California are extremely low with heavy algae growth, due to drought conditions. Many streams are too low to receive trout stocking, which means concentration of fishermen on lakes.

Legion Post Planned at Downieville, Drive is On

DOWNIEVILLE— Necessary preliminary steps have been taken and applications are now being taken for charter membership in a new post of the American Legion in Downieville, according to an announcement by E. Lee Sonnenberg, vice commander of the Sixth District, American Legion, at his home post in Grass Valley.

TWO WARS VETERAN SEEKS CONGRESS JOB IN SECOND DISTRICT

PLACERVILLE— A veteran of both World War I and II, Don Hoffman of El Dorado county this week announced his candidacy for the second California congressional post in the June 4 primary. Hoffman, a Republican, is the third candidate to file for the office with Clair Engle, the incumbent, and Andrew Rogers of Nevada City previously announcing.

Hoffman was born in Stockton of pioneer parents in 1898. He enlisted in World War I in the Engineers and in 1919 was discharged as a sergeant. He rost through the ranks in the reserve corps to Major in 1940. In 1940 he returned to active duty and has since been active in designing and constructing ordnance plants for the army, attaining the rank of colonel.

In 1943, Col. Hoffman was selected to take part in AMG in Europe and was sent overseas after special training. His organization set up civil governments in the wake of the Third, First, Seventh and Ninth Armies during the liberation of Europe. Hoffman was awarded the Legion of Merit, the French Croix de Guerre with palm, the Belgian Military Cross first class and the Courrone de Chene of Luxemburg.

Prior to entering the service in 1940 the candidate was county engineer of El Dorado county.

Two sons had foreign service with the services. The elder served in Italy and North Africa before going to the CBI. The younger, just 18, is a Marine private in China. Mrs. Hoffman spent two years in Burma and China in charge of Red Cross canteen units.

Hoffman is active in the Lions and Elks and many other community groups as well as professional societies.

The first point on his platform is to represent the people of his district followed by reorganization of the armed forces, elimination of top heavy bureaus of government, retain every advantage in war or trade we haev won, maintain a constant interest in congress of veterns' affairs and guarantee the peace and security of America.

The second district includes both Nevada and Placer counties as well as 17 others.

LOOK *to Greyhound first for*

DEPENDABILITY

Few other traits of character are as important in a man or a company as dependability. It is doubly important in a public transportation service.

Greyhound is fully alert to the fact that the communities of this area *depend* heavily on the continuous flow of modern, local Greyhound service. Keeping and improving this high standard of operation is Greyhound's *number one job.*

The priceless experience gained in bus pioneering and development has given Greyhound people the "know how". Their sound understanding of inter-city transportation problems has enabled them to build, right from the start, an expanding, ever-better local service. Today or tomorrow, you can go *where* you want to, *when* you want to, by Greyhound. That's dependability.

TAHOE NEWS

by SWANEE Telephone Tahoe City 66J

TAHOE LETTER To The Servicemen

From SWANEE

Tahoe City, California.
March 24, 1946

Dear Tahoeites:

Today was one of those wonderful first days of spring....a bit chilly in the early hours but blossoming forth into a loely summer atmosphere by mid-morning. It was perfect for the Auburn Ski Club's Cisco C and D state jumping meet, held around three in the afternoon, with a swellegant crowd to witness it.

Aagain the Lake Tahoe Ski Club'a entrants took more than their share of top honors, with Bob Stark winning coveted first place in C division. He was awarded a beautiful 12 inch high trophy, the figure of an athlete, with gold top and silver base, for first place and a medal for the longest jump of the day. This meet meant more to Bob than most folks knew, for on the morrow, Monday, he leaves for Salt Lake to enter the Navy. He had to get permission from the Navy to remain here an extra day in order to compete for the state meet, it was granted and now Bob can go into the service happy. He has been winning consitently all winter and all Tahoe felt he would take first place. Congratulations are cordially extended and best wishes go along for a successful future in the service of his country.

Latest word from son-in-law PFC Bill Steenis at Manila, written March 12th, indicated he was expecting to be evacuated to a hospital ship to the United States very soon. The ship was expected in port around March 20 and unless present plans were changed unexpectedly, he would be leaving when it pulled out. He must remain in the hospital for some time after reaching the states to receive medical treatment but would have no complaints to offer, just being back in the good old USA again, after more than a year's residence in the unattractive 5th and 21st depots will be good enough for him. And daughter Marie and little son Billie will be overjoyed to have him home once more.

Still have no word from son Jimmie who must have arrived days ago in Germany where he joins the U. S. occupation forces. According to latest reports from that nation, Jim will witness the terrible aftermath of the war, with its famine and pestilence. Thursday he turns 19, hope his birthday is a pleasant one.

Those who love Tahoe's crystal clear waters have watched anxiously these past few weeks as subdividers both on the Nevada and California shorelines have sought to install community sewer systems which empty their foul contents into our beloved lake. It is with an immense sigh of relief that we read this past week of the decision of the State Department of Public Health, which warns sternly that the 30 year policy of the department, which has achieved exclusion of sewage from the lake for the sake of "glorifying its pristine beauty" and keeping the lake a source of water supply to support the recreation of future generations, will be strictly adhered to. Despite seriousness of the problem of meeting new questions of sewage service in increasingly congested areas, there will be no change of policy in this regard. Again I repeat, we who love Tahoe are eternally grateful for the State Public Health Department's ruling, as we can imagine no greater calamity to our mountain wonderland than the pollution of this lake of paradise by sewage disposal.

The Tahoe chapter of Girl Scouts, under the leadership of Mrs. William Boorman, is planning this spring on improing and refurnishing their hut in town, this to be one of the first projects of the season. They are in need of rugs, lamps, curtains, chairs, dishes and other household articles. Anyone having any on hand and not in use, any objects which they might utilize, will find them most welcome to these young ladies. Any donations will be gratefully called for by Mrs. Boorman, who may be contacted at Tahoe City 34.

Latest word of PFC Donnie Prusso is that he has left the hospital on Guam recovered from his recent operation for mastisis but has no idea as yet just where he will be sent. It's either back to Okinawa or home. He's earnestly praying for the latter. And so are we, Donnie. Now at a transient center on Guam, with plenty of needed points, he will soon know his fate.

Learned this week that one of Tahoe's most enthusiastic families, Dr. C. B. Pederson, his wife and ittle daughter Miette, now residing in Auburn, are planning on returning to their lovely home in Tahoe Park sometime in April, to remain all summer. Their return will be good nesw to their many good friends and neighbors whoh have missed them during the long war years. Miette and her mother may have to return to Auburn until the close of school there before becoming steady residents here once more.

News continues very scarce this week, although a number of good stories remain just in the offing awaiting development. Should lumber become available in quantities here this summer, there will be a flurry of building such as the lake region has never before experienced but to date future plans are most uncertain.

Ring off for another week and hope this finds you sitting on top of the world and right in the pink. We send along our very best wishes for your good health, good cheer and good luck....and may God be with you today and always....as ever,

SWANEE

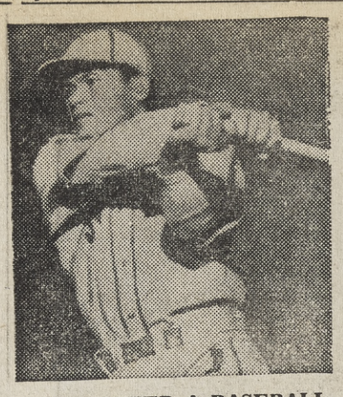
RADIO STATIONS

There are about 900 radio broadcasting stations in the United States 600 of them affiliated with national networks.



WEDEMEYER A BASEBALL STAR . . . The St. Mary's All-American football star of Sugar Bowl fame steps up to the plate in a new role. In game against Stanford university at Moraga, Calif., Herman Wedemeyer made his 1946 debut impressive by blashing out a home run.

TAHOE GUN CLUB BEGINS PLANS FOR SHOOT ON JULY 14

TAHOE CITY— Members of the Tahoe Gun Club met in Carl Bechdolt's service station in town on last Thursday night, Bill LaMarr, club president, presiding.

The club now has 3,000 blue rock to be used in skeet practice shooting and lots of ammunition on hand for target use.

Chief topic of the evening was the formulation of plans for the third annual shoot to be held at Tahoe on July 14.

The Tahoe Gun Club members have been readying a winter target range in the third story of the Truckee-Tahoe Lumber Company's large warehouse here with the permission for its use being given by Manager Charles Cross.

Practice shooting is being held every week on the commons until such time as the regular range on top of the hill near town is again barren of snow.

Kings Beach Miss Has Birthday Party at Lake

TAHOE CITY— The 16th birthday party of Miss Ruby Meisenheimer of Kings Beach was a gala affair on Saturday night. It was held in the Sandy Beach Hotel where an evening of dancing was climaxed by the serving of a large birthday cake, ice cream and soft drinks.

Among those invited to enjoy the festive occasion were Pete and Shirley Ables, Alberta Pollitt, Judy Rost and Ray Prusso, all of Tahoe City; Bob Stark of Dollar Estate; Norma King, Bill and Betty Hall, Richard and Jimmie Astle, Irene Gallerani and Patricia Heffernan, of Kings Beach; Ray and Paul Martin of Brockway, Norma and Bill Peterson, Gwen McGill and her mother.

Many lovely gifts were received by the honoree on her natal day.

Tahoeites Motor to Capitol For Visit on Last Weekend

TAHOE CITY— Mrs. A. M. Henry Mr. and Mrs. Carl Wheat, Al Henry and son Gary, Betty and Edna Wheat motored to Sacramento on Saturday where they visited with Mrs. Al Henry who is visiting friends in the capitol city awaiting the arrival of another child. Al remained below to be with is wife, the other returning that night to Tahoe.

While in Sacramento the Henrys visited with the Charles Hellers, late of San Rafael, who are busy painting cleaning and renovating in general the grocery and apartment they recently purchased and which they are operating. The Henrys were their first visitors from Tahoe. The Hellers' daughter, Mrs. Rosalee Hannigan, and family live just three doors from the store.

TELEVISION IN CALIFORNIA

PASADENA— Mt. Wilson, famed throughout the world for its observatory, will become California's first television center starting April 1 when Television Products, Inc., subsidiary of Paramount Pictures, starts a regular program with "telecasts" two or three days a week.

GIRL SCOUTS YEAR OLD APRIL FIRST; PARTY IS PLANNED

TAHOE CITY— The Tahoe branch of the Girl Scouts gave a party at the home of the William Boormans in Tahoe City on Wednesday of last week in observance of the founding of the Girl Scouts of America 34 years ago. Misses Myra Lee Pollitt and Betty Joy Boorman served as hostesses, improvising their entertainment program and preparing the refreshments. An afternoon of games was followed by cookies and punch. Each week two members are appointed to serve in this capacity as part of their scout training.

April 7 the Tahoe Girl Scouts will celebrate their first birthdate with a party at the scout hut, a fitting program being planned for the day.

The Tahoe group boasts 14 members at present with a sharp increase anticipated with the influx of summer residents. All girls between the ages of 7 and 17 are eligible to join.

A meeting of the governing committee will be held at the A. M. Henry home on April 2nd to appoint a member to replace Mrs. Myrtle Gallinger. Other members include Harry Johanson, Jack Starratt, Ruth Ables and Mrs. Henry, chairman.

IT'S TRUE

By Theodore Maisch

An East Indian insect about two inches long can be heard two miles away.

Napoleon lost 95,000 of the 100,000 horses with which he started the march to Moscow in 1812.

Of the world's two billion ounces of gold mined since 1492, only 10 per cent was produced prior to the year 1800.

One-third of the sun's weight is made up of hydrogen.

Dianora Frescobaldi, a 16th century Italian matron, bore 52 children.

Servilia, mother of Brutus, received from Julius Caesar a pearl valued at $250,000.

About 500 species of plants catch and eat insects and other small life.

A healthy person may lose one-third of his blood without fatal result.

BOB STARK WINS "C" SKI TITLE AT CISCO MEET, OTHERS HIGH

TAHOE CITY— The Greyhound bus left Tahoe City on Sunday morning for the Auburn Ski Club's Cisco C and D state jumping championship meet and was filled to capacity with entrants and rooters. Tahoe Ski Club competitors included Bob Stark, Pat Dempsey, Howard Carnell, Terry Tollefson, Jimmie Morhain, Pete Ables and Bill Boorman.

Class C was won by Stark who compiled 213 points with jumps of 71 and 74 feet. Howard Pyle of Auburn, former Tahoe skier, was second with 194.8 points and jumps of 73 and 57 feet. John Rablin of Truckee was third, Kenneth Blodger of Auburn was fourth, and Pete Ables of Tahoe, fifth.

The class D event was won by Kenneth Immer of Auburn, who jumped 71 and 68 to feet to score 210.9 points. Second place went to Tahoe's Howard Carnell with 194.6 points with jumps of 62 and 64 feet.

The youngest entry in the tournament was 9-year-old Bill Boorman,Jr., of Lake Tahoe who placed sixth in the Class D event.

* * * *

Tahoe Ski Club members met in Community Hall on Friday night last with Charles Swanson presiding in the absence of President Kathleen Starratt, who is on vacation. Mrs. A. M. Henry acted as secretary in the absence of Eleanor Swanson.

Marie Henry and Bill LaMarr, on a committee to investigate a new hill for club use next season, made a favorable report.

Refreshments were served by Mrs. Henry who was assisted by Mrs. Bill LaMarr and Mrs. Florence Vernon.

::

Tahoe Native, Aged 83, Passes in Woodland

WOODLAND— Funeral services were held in Woodland on Tuesday for Mrs. Alice F. Williams, 83, who was a native of the Lake Tahoe area. Mrs. Williams died at the home of her daughter, Mrs. Eugene Laugenour of Woodland on March 24.

::

Louisiana has no counties, its subdivisions being known as parishes.

Whispering Pines

Tahoe Lake School Column

Classes were organized and running smoothly by Tuesday of last week. Diversion of an unusual nature was enjoyed by the pupils of Mrs. Norma McIntyre's grades when records were brought to school and played for the children. They told the stories, in play form, of Alice in Wonderland and Treasure Island.

Hot lunches are not yet being served but it is probable they will be available a little later on in the school term when a cook can be procured.

George Tiffee is again serving as school custodian.

STATE OFFICER RAPS U. S. TIMBER POLICY AT COUNCIL SESSION

SACRAMENTO, March 28 —(UP)— State Real Estate Commissioner Hubert B. Scudder blamed the high cost of building construction on the federal government for its policy of subsidizing the foreign exportation of lumber.

Scudder, reporting to Gov. Earl Warren during the monthly meeting of the governor's council, said the payment of a $7.50 per thousand feet subsidy on exported lumber was creating a "deplorable condition".

He mentioned a "mammoth shipment" which he said was reported to have just left the states, but did not disclose its destination. He said some of that lumber is going to Mexico.

VETERANS' BOARD APPROVES CUT IN RATE OF INTEREST

Last Friday, the state veterans' welfare board unanimously recommended that interest on state loans to veterans be reduced from four to three per cent.

The recommendations will be sent to the board's finance commitee, composed of Gov. Earl Warren, Controller Thomas Kuchell, Treasurer Charles G Johnson, Director of Finance James S Dean and the board chairman, T. J Riordan of San Francisco.

Red Tape Shortage

SACRAMENTO, March 28 —(UP)— It will be a blow to a lot of ex-GIs, but the state government admits it's run on red tape, too—and it isn't running so well these days because there is a shortage of red tape.

For years claims submitted to the controller's office have been bound with red ribbon. But the compensation insurance fund office began using ordinary white twine.

Deputy Controller Clarence Smith asked them to go back to the red tape. Twine, he said, has a tendency to cut through official papers.

Naturally they couldn't have that.

But Smith received a reply stating there just wasn't any more red tape. So the controller's office is now waiting a return to the good old days and an end of this cutting through official papers.

LET'S STOP FEEDING INFLATION

You know what happens . . .

When you continue to spend more than you make and . . .

Keep on borrowing to make up the difference!

You know too, that a big chunk of every dollar you earn and every dollar you spend goes to pay the cost of government.

That's why it's important for *you* to take a good look at the way the government spends your dollars.

Government should begin now to live within its means

During the war government necessarily spent huge sums of money. Yet, with the war over, the government plans to spend four times as much in the coming year as it spent in the highest pre-war year.

Most thoughtful people believe that government expenditures are now far greater than they need be.

They believe that government, like a family, should live within its means . . . that it should not spend more than it takes in . . . that it should not keep on going deeper into debt.

Yet that is exactly what's happening today. Our government is spending billions more than it takes in. And it continues to borrow to make up the difference.

This is the kind of money-handling that causes inflation.

Economy in government means money in your pocket

If the American people — through Congress — will reduce government spending and take steps to encourage production, inflation will be stopped . . . and this is the only way it can be stopped.

Write your representatives in Congress today.

Urge them to cut the cost of government, eliminating all waste . . . all unnecessary services . . . and postponing all expenditures that can be put off until our war bills have been paid.

Urge them to make the government start living within its means . . . at a level that you and your neighbors can afford to pay.

You'll see the results soon in the cost of everything that you buy . . . food, clothing and everything else. And you'll be doing your country a real service.

YOUR DOLLARS . . . *a postcard to the National Association of Manufacturers, 14 West 49th Street, New York 20, N. Y., will bring your copy of this informative booklet on government spending—a subject which is all-important to you.*

CHRISTIAN SCIENCE

"Reality" is the subject of the Christian Science Lesson-Sermon for March 31. The Golden Text is taken from Philippians: "Whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, and if there be any praise think on these things." (4:8)

Included in the sermon are the following citations:

John 4.24: "God is a Spirit: and they that worship him must worship him in spirit and in truth."

"Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The spiritual fact and the material belief of things are contradictions; but the spiritual is true, and therefore the material must be untrue. . . . Spirit and all things spiritual are the real and eternal" (p. 289).

—::—

TAHOE BRIEFS

The lake level on Monday morning stood at 6227.59 with 31 CSF of water leaving the gates in town. Precipitation for the past week was .51 of an inch. Snow on the ground measures 25 inches. Coldest day of the past week was on the 22nd with 19 above and warmest was on the 24th with 42 degrees.

Mr. and Mrs. Phil Geier of Sugar Bowl and Tahoe Park spent Wednesday night and Thursday at Tahoe. They were overnight guests of the Ray Fraziers.

Mr. and Mrs. E. H. Pomin of Tahoe City returned home on Sunday following an extended winter vacation in southern California and the bay region.

Ray Prusso drove to Reno on Friday to pick up brother Sherwood who returned to Tahoe from Long Beach and Clearwater where he went to be with his wife at the time of his little daughter's birth. Helen and little Judith Dianne will remain at Clearwater until well enough to return to their Tahoe home.

F. A. Kilner was up from his winter residence at Laguna Beach on Thursday of last week. He'll be returning with the missus in another month or so to spend the season.

Mrs. Corrine Otton leaves this week for a vacation of several weeks in Southern California.

Mr. and Mrs. A. M. Henry and grandson Gary were dinner guests on Sunday night of Mr. and Mrs. Dick Clark of Tahoe Park.

Mrs. Katherine Corona and her son, Capt. Oliver Corona, on Wednesday last were hosts at a delightful dinner party and evening of pinochle at their Tahoe Park home. Cocktails preceded hte tasty repast. Those enjoying the Corona's hospitality were Mr. and Mrs. Phil Geier, Mr. and Mrs. Ray Frazier, Mr. and Mrs. Charles Swanson.

A. M. Anderson was a visitor in Auburn on Monday. On Tuesday he continued on the bay region where he will receive a medical checkup and enjoy a bit of vacation.

Mrs. Stella Watson spent the week end at her home near Clarksville.

Dinner guests at the William Boorman home in town on Sunday night were Mr. and Mrs. Frank Gagina, Hugh Moody and Miss Maxine Marr all of San Jose.

Mr. and Mrs. Norman Mayfield have returned to Tahoe following a leisurely vacation which took them as far as southern California. Mrs. Mayfield's injured ankle is almost completely healed and she no longer needs her crutches to get about.

BIBLE TRUTHS

FAITH

Now faith is the substance of things hoped for, the evidence of things not seen. Heb. 11:1.

But without faith it is impossible to please him: for he that cometh to God must believe that he is, and that he is a rewarder of them that diligently seek him. eb. 11:6.

And Jesus answereing saith unto them, Hae faith in God. Mark 11:22.

If thou canst believe, all things are possible to him that believeth. Mark 9:28.

For by grace are ye saved through faith; and that not of yourselves: it is the gift of God: not of works, lest any man should boast. Eph. 2:8,9.

Examine yourselves, whether ye be in the faith: prove your ownselves. Know ye not your ownselves, how that Jesus Christ is in you, except ye be reprobates? II Cor. 13:5.

And the apostles said unto the Lord, Increase our faith. Luke 17:5.

Nevertheless, when the Son of Man cometh, shall he find faith on the earth? Luke 18:8

Draw nigh to God and he will draw nigh to you. Jas. 4:8.

No good thing will be withheld from them that walk uprightly. Ps. 84:11.

North Tahoe News . . .

by MADELINE GALLERANI

Personality of the Week: Despite the fact that she has been bed-ridden since December 15th, Mrs. Carl Sorenson of Tahoe Vista still maintains her loving and gracious manner.

Ruby Miesenheimer of Tahoe Vista was invited for a game of cards at the Gwen McGill home and when she arrived at her destination was met with a chorus of "Happy Birthday to you"—a surprise party for her 16th birthday. Those attending were Irene Gallerani, Patricia Allen, Betty Mae Hall, Norma Peterson, Jim and Richard Astle, Ray and Paul Martin Norman King, Bill Peterson, all of North Tahoe; Shirley Ables, Ray Prusso, Bob Stary, Judy Rost, Pete Ables, Alberta Pollitt, all of Tahoe City, the hostess and the guest of honor. Singing and dancing were the diversions of the evening.

Mr. and Mrs. Wayde Burt of Carson City visited in Tahoe Vista on Saturday.

Mr. and Mrs. Darro Rockholm and Fred Rockholm returned to Kings Beach after sevearl weeks in Lincoln, Nebraska.

Mr. and Mrs. J. Mooney of Pasadena are at their Tahoe Vista home.

Ann Gallerani of Crystal Bay sustained a wrenched knee and sprained ligaments in her right leg when she fell while skiing at the Mt. Rose Bowl. Ann will have to use crutches for several weeks according to her doctor.

Mr. and Mrs. Bert Cochran returned to Kings Beach from an extended eastern tour.

Mr. and Mrs. Gene Antonson are back at Kings Beach after several weeks visit in Idaho.

Mr. and Mrs. "Red" Simmons of Los Angeles are former Kings Beach residents returned here and plan to build a home.

Pearl Gallerani is visiting friends in Sacramento.

Betty Bloue of Tahoe Vista who sustained two fractures in her leg while ice skating seven weeks ago will have the removed this week. Betty will use crutches for a while until the fractures mend.

Mr. and Mrs. Tom Tomsen of Verdi were visitors at Kings Beach on Monday.

D. C. Barnett of Kings Beach was on the sick list last week.

Al Gerardi, Brockway water tender is now at his home in Kings Beach.

John Claysen of Alameda motored up to Kings Beach on Sunday. His wife and children will join him here next week.

Mr. and Mrs. Tony Gallerani returned this week from Hollywood Florida, after two months stay there.

The Half Way Store in Kings Beach, owned by Mr. and Mrs. Karl Bohme, has been enlarged and the interior has been redecorated.

Mr. and Mrs. B. Williams of Ventura recently purchased the Tahoe Vista Hotel.

Mr. and Mrs. Ed Starr are now established in their new home in Tahoe Vista.

Tom Doherty of Kings Beach will be a write-in candidate for justice of the peace at the June 4 election.

Mrs. Mary Gallerani of Crystal Bay is at home recuperating from the appendectomy performed two weeks ago in a Reno hospital.

Raymond Tuttle is again residing in Kings Beach after three years absence while in the armed forces.

HON. EARL WARREN
Governor of California

VETERAN OFFICIAL BACKS WARREN IN RE-ELECTION FIGHT

SAN FRANCISCO— M. C. Hermann, California department quartermaster-adjutant of the Veterans of Foreign Wars of the U. S. today called upon war veterans regardless of political affiliation, to work for the re-election of Governor Earl Warren.

Hermann, a registered Democrat, predicted that Goevrnor Warren will be retained in office.

"Governor Warren," said Hermann, nationally known veteran leader, "has announced his intention to seek re-election in November. His decision to remain in public service for the benefit of all the people, is indeed good news for California war veterans."

Hermann pointed out that Governor Warren has kept his promise to do everything within his power to aid California's returning service men and women. "Veteran legislation," added Hermann, "passed at the last session of the state legislature was speedily approved by Governor Warren."

"Governor Warren", continued the VFW chief, "realizes the state's responsibility to our returning service men and women and he has and will continue to do everything possible to assist them in their readjustment to civilian ife. Governor Warren is truly a friend of the war veterans."

Every VFW post in California, said Hermann, will be advised of Governor Warren's record on veterans' legislation.

California's veteran population is nearing the one million mark, Hermann said.

SEAWELL FAMILIAR WITH PROBLEMS IN 3RD BOARD DISTRICT

ROSEVILLE— The withdrawal of Richard E. Collins from the third district board of equalization race leaves only State Senator Jerrold L. Seawell, Roseville, as a candidate who has been close to the state government at Sacramento in recent years.

Seawell as president pro tempore of the senate for the past six years, has been closely conected with, and has helped enact, scores of bills dealing with board of equalization tax and liquor matters.

He has been particularly interested in the improvement of primary and secondary roads, and their relation to taxes.

As a member of the joint legislative fact finding committee on roads, highways and bridges, Seawell has traveled the third district in northern California, talked with many county assessors, and learned at first hand their road-tax problems.

If elected to the board of equalization he intends to do all in his power to meet these problems.

Seawell has recently received endorsements from a number of labor unions, particularly in Vallejo and the Napa districts. His labor record in the senate has been good. He comes from a large railroad center, Roseville, weher he was for years a fireman on the Southern Pacific over the famed Sierra Nevada "hump".

Though a Republican, he has voted with Democrats in the senate on progressive measures, the most recent important one being the disability insurance compensation bill.

TRUSTEES APPROVE SUNDAY SCHOOL IN SCHOOL AT TAHOE

NORTH TAHOE— The Kings Beach Mothers' Club meeting on Thursday evening, March 21st, was attended by 26 ladies. Mrs. J. J. Mandeville, the president, presided.

Approval was given by the board of trustees for a Sunday School class to be held on Sunday afternoons at the school house beginning the second week in May.

Plans were made for the minstrel show to be given on May 11th.

Hostesses of the evening and serving refreshments were Mrs. W. English and Mrs. C. E. Mandeville.

Drivers' License Bureau Carrying Big Work Load

SACRAMENTO, March 28 —(UP)— Approximately 20 per cent of California motorists are driving with expired drivers licenses, the department of motor vehicles estimated in a report to Governor Earl Warren.

The estimate was made in pointing out the congested condition of the drivers license bureau due to shortage of help and a heavy increase in applications for driving permits. Extending the expiration dates for periods not exceeding four years was suggested as a remedy for the situation.

"Under present conditions of congestion applicants for licenses are being required frequently to wait in line for hours," said the report. "Ir many instances they have been asked to come back a second day in order to obtain service."

ALMANAC

Like your other Electric Appliances

The ELECTRIC RANGE
IS EASY AND ECONOMICAL TO USE

Your next electric servant in the home should be a modern electric range. When you use it you will encounter many delightful surprises. With it the fine art of good cooking becomes so simple and so clean that results will seem like magic.

The speed of the new electric range elements will amaze you. And with this speed there is the accuracy. Cooking temperatures are under control automatically. Oven temperatures are scientifically regulated to assure uniformly tenderized, perfectly cooked roasts, and all your favorite cake recipes become time-after-time successes.

Take a step forward in better living by giving yourself and your family the benefits of electric cooking. Like your other electric appliances, the electric range gives a service you would never be without once you know how much it does for you and how little it costs with today's low electric rate.

LADY NEXT DOOR SAYS

"Glad I don't have to stint on electricity. There's a plenty and the cost is low."

Ellis Reports on 1945 Activity of Tahoe Forest

A substantial increase in the use of National Forest facilities was noted during the latter part of 1945, according to Supervisor Guerdon Ellis of the Tahoe National Forest, in discussion his annual report on work accomplished in 1945.

During the calendar year of 1945, 12,334,000 board feet of sawtimber and other timber products and 18,000 Christmas trees were cut from Tahoe National Forest land. The total calue of the raw lumber products cut from both government and private lands amounted to approximately 1½ million dollars.

About 56,000 sheep and 8,000 cattle and horses were grazed with in the boundaries of the forest. Steps were also taken to continue the improvement of range conditions. At the erosion control project in Carmen Valley approximately 200 acres of extremely valuable meadow have been reclaimed by checking erosion and by reseeding and irrigating the meadow.

Near the site of Hobart Mills, 116 acres of meadwo land have been fenced and placed under intensie management by irrigation and reseeding. In Onion Valley approximately 40 acres of meadow are being irrigated and have been fenced for use as a fall holding pasture for cattle.

The fine cooperation of the press and public, together with the efforts of prevention officers, reduced the number of man-caused fires on the Tahoe to 41. Total acreage burned, including lightning fires, was 420 acres. While this is an enviable record every effort is being made to futrehr recude the number and acreage of man-caused fires, stated Ellis. The Downieville District established a record of having no man-caused fires at all and each of the other rangers is aiming at Ranger Delaney's fine accomplishment for the coming fire season.

Porcupine control, to reduce the damage caused by these rodents on pine and other young growth timber, was practiced on 39,000 acres by setting out poisoned salt blocks beyond the reach of other wild life. Damage to over 10 percent of the trees covering many townships of land is done by the porcupines when they eat the inner layer of young bark. The girdled main leaders of the young trees cause stunted and malformed growth.

Timber stand improvement work was done on about 800 acres last year and over 4,000 acres have been treated to date. This work largely consists of pruning young growth stands. The essential need for timber in building construction and reconversion emphasizes the necessity for improveing the quality and growth of timber on every acre of California forests and is being given high consideration on the National Forests, Ellis stated.

Ranger Ely of the Foresthill District reported that the Public Roads Administration completed surveys of the Mosquito Ridge access road, and the bridge abutments for this road across the North Fork of the American River is now being built. When completed this road will open up a body of timber which support an annual cut of about thirty thousand board feet on a sustained yield production basis.

Forest highway funds were used in the reconstruction of State Highway 49 from Freemans Crossing to Camptonville. When this section of road is completed in August it will reduce the travel distance about 1¼ miles and eliminate the present narrow, twisted road, replacing it with a modern highway. It will also provide a safer and more enjoyable route to the Lakes Basin area, and facilitate the moving of critical timber from the Calida Logging operation where 15 million feet of timber is being cut annually from National Forest land.

The Truckee District made 200 attractive rustic Emigrant Trail signs for use in posting the trail followed by the pioneer Donner Party of emigrants. These signs will be posted along this historical route this summer by Ranger H. I. Snider. The preserving of old landmarks and commemorating historical events by the placing of signs is especially important in anticipation of the heavy tourist use during the gold centennial..

One of the important projects carried on during 1945 was the collection of pine cones from which the seed is to be extracted and used in reforestation of burned and logged over land. Six hundred pounds of seed were extraced from these cones and will go a long way to converting deforested areas from their barren state to timber producing lands.

In analyzing accomplishments the critical need for maintenance and repair of public camp grounds was most striking. A half million visitors in normal times use the forest and privately-owned areas for recreation, spending from at least a day to three weeks in the area. It is an industry of 10 million dollars annually

"Many of visitors use the public facilities which are in deplorable condtion because of lack of finances provided by the national Congress," said the forest supervisor.

In like manner, about 50 administrative buildings, 1500 miles of roads and 300 miles of telephone lines are in poor condition due to the lack of maintenace funds. According to Supervisor Ellis, while the forest service fully recognizes these conditions, improvement is severely handicapped by shortage of funds, and only through public recognition and their demand that funds be provided for this work can these needs be given the attention they deserve.

JIVE IS BANNED ON L. A. NETWORK AS UNFIT FOR YOUTHS

LOS ANGELES— On the grounds that they contribute to juvenile delinquency, "hot jive" music has been banned from radio station KMPC of this city by Ted Steele, musical director. Backed by the owner, G. A. Richards, Steele's action was based on the fact that "jive"music usually emphasizes suggestive lyrics, is a degenerative type or music and arouses base instincts and emotions in youthful listeners.

Engle's Homestead Bill Is Passed By House

WASHINGTON— The House has passed a bill by Rep. Clair Engle which provides that veterans under 21 years of age can file homestead entries. Existing law bars veterans under age from filing such claims.

Under Engle's measure any honorably discharged veteran of World War II, who has served at least 90 days, will be qualified to file a claim

Commenting on the bill Engle said, "It is my contention that if young men under 21 are old enough to be drafted, they certainly are old enough to be entitlde to all veterans' benefits."

Commercial air service to Africa was inaugurated in 1942.

Gibson Lines Service On U. S. 40 Gets Sanction

Among several decisions of the California State Railroad Commission in regard to extension of Gibson Lines bus service in northern California was the following:

In the territory between Roseville and the state line on Highway 40 to Reno, permission was granted to operate from all points in this area over the entire Gibson Lines system. This removes all present restrictions on the operation between Roseville and Reno and permits all intermediate towns in this territory to have access to the complete Gibson Lines transportation service.
